

1. Academic Year (ok)
2. Campus, Building, Room (ok)
3. Invoice Template

The screenshot shows the 'Create Invoice Template' form in the LUMS system. The form includes the following sections and elements:

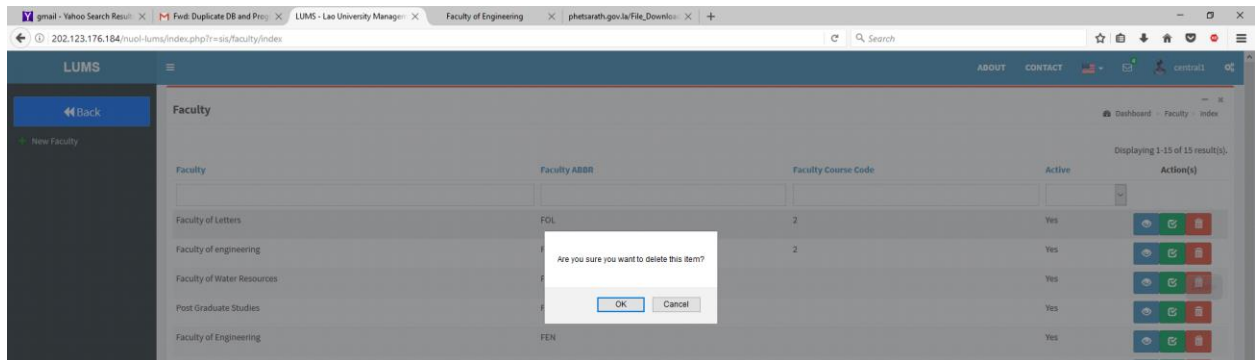

- Name Template ***: A text input field.
- Academic Year ***: A dropdown menu currently showing '2017-18'.
- Set Order ***: A section with a 'Set Order' input and an 'Active' checkbox.
- Add Item(s) from existent Invoice Template**: A section with a 'Please Select' dropdown and a '+' button.
- Add Item(s) manually**: A section with fields for 'Item Type *' (Please Select), 'Account Code *' (Account Code), 'Description *' (Description), and 'Amount *' (Amount). It includes a '+' button.
- Template Invoice Details**: A table with columns: Item, Account Code, Description, and Amount. The 'Amount' column shows 'Approximative Total 0.00'. At the bottom of this section are 'Create' and 'Cancel' buttons.

Numbered annotations (1, 2, 3) are present in the image:

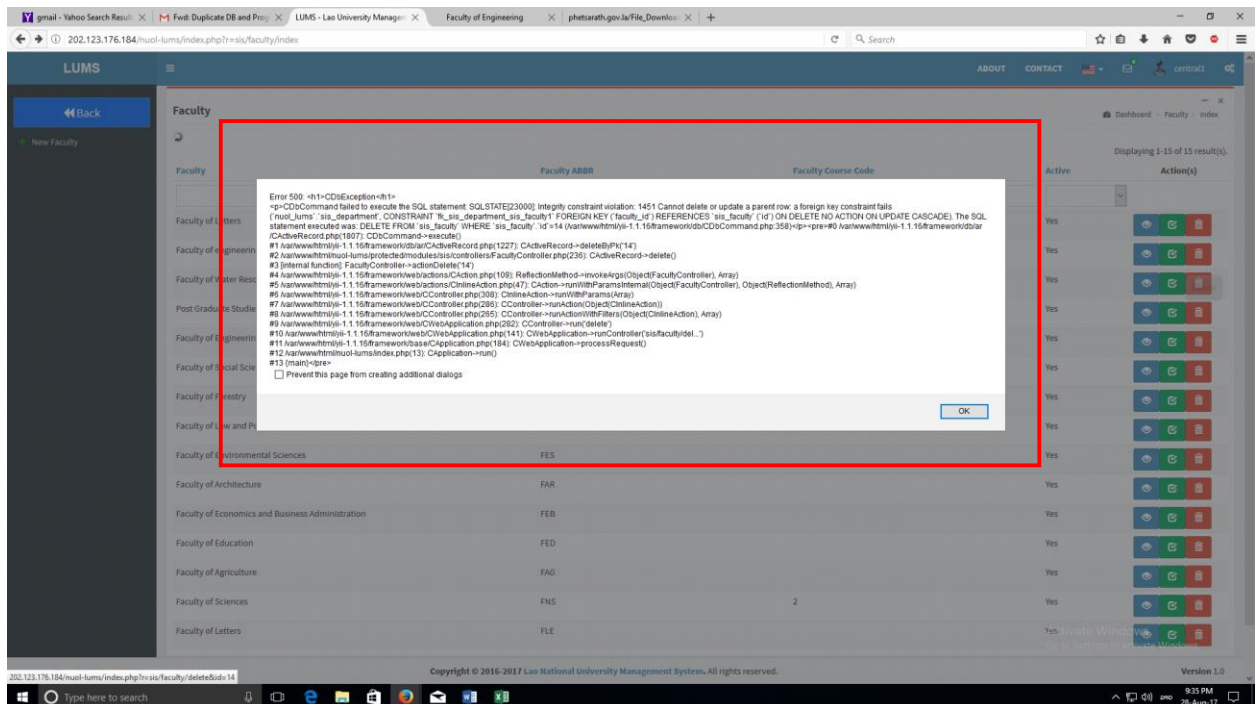

- 1**: Points to the '+' button in the 'Add Item(s) manually' section.
- 2**: Points to the '+' button in the 'Add Item(s) from existent Invoice Template' section.
- 3**: Points to the 'Create' button at the bottom of the 'Template Invoice Details' section.
